No 9860 d 14/4/27
Stating that the Taluk maps prepared by the Rev. Survey Dept give the village boundaries there is no need for their being shown in the Topo sheets.

6 From
The Conservator of Forests
No 3971/26 d 13-4-27
Stating that it

Serial No.

would be a great advantage if village boundaries are also shown in the Topo. sheets.

Subd.

A reply is due to the Residency in the matter (vide S.1).

Of the 4 officers who were consulted the Chief Engr. & the Supdt., Rev. Survey are of opinion that the village boundaries are not necessary in the Topo sheets prepared by the Survey of India & the Rev. Comr. & the Conservator of Forests consider that it is advantageous to have the village boundaries shown in the Topo sheets also.

In view of the fact that the area remaining to be surveyed is only about 9908 sq. miles and for the major portion of the area already surveyed the maps have already

that area of 19536 sq. miles of the state has already been surveyed and

been furnished it is for consideration whether it is necessary to have village boundaries in respect of the ~~minor~~ small portion of the state remaining to be surveyed at a heavy cost of Rs 100/- per sheet.

2. The village boundaries are stated to be available in the Taluk maps prepared by the Rev. Survey Dept of the State.

18/4

What is the area included in one Topo sheet.

19/4

Sub-d

The information reqd is not available here.

19/4.

As the Taluk maps prepared by the Rev. Survey Dept of My indicate the boundaries of villages, there appears no necessity to have these boundaries marked on the topo sheets, especially as we have to bear the cost of this additional work, which is expe to be about Rs 100 per topo sheet. We have already agreed to contribute a sum of Rs 9000 towards the cost

Letter No.567/34, dated the 17th March 1927, from the Director, Southern Circle, Survey of India, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

VILLAGE BOUNDARIES ON TOPOGRAPHICAL SHEETS OF THE SURVEY OF INDIA.

The Surveyor General of India has instructed me to ascertain :-

(a) If the Government of Mysore wish to have these boundaries shown on our one-inch to one mile topographical maps,

(b) and if so whether the Mysore Government would be prepared to meet the extra cost of doing this.

At present these boundaries are not being shown on our maps. The cost would vary a little but would not I think exceed Rs.100/- per sheet unless there were changes and the boundaries had to be rechecked on the ground.

The sheets it was proposed to survey could be put up to you annually in advance if necessary for the Mysore - Government to decide whether ~~whether~~ they desired village boundaries or not on those sheets, but of course a constant change of policy would be unsatisfactory and increase the cost per sheet.

From

P. G. D'Souza, Esquire., B.A., B.L.,

Revenue Commissioner in Mysore.

The Secretary to the Government of

His Highness the Maharaja of Mysore,

General Department, Bangalore.

Village Boundaries on Topographical Sheets of the Survey of India.

Sir,

With reference to your Memo No.G.10683-6/P.P. 66-26-2 dated 1st April 1927 calling for my opinion in the matter of showing village boundaries on topographical sheets, I have the honour to state that as Government may be aware a part of the topographical Survey has already been completed and if the boundaries can be shown in all the maps, they will be more useful. I am of opinion therefore that arrangements may be made to show the boundaries in all the maps so that each map may be complete in itself.

I have the honour to be,

Your most obedient servant,

P G D'Souza

Revenue Commissioner.
